1. THANK YOU

- Thanks to everyone that volunteered on November 14th at the Boathouse Clean-ups. We were able to get so much done and everything is looking so much better. Thank you to everyone that helped with the day.

2. MOVING THE DOCKS – DECEMBER 5TH

- You may have noticed that the dock committee pulled one dock out at Washington's Landing (with the help of many volunteers). Unfortunately they didn't have the equipment to move it, so if anyone wants to row (remember the Safety Matrix!) it has to be done using the Sculling Dock for the rest of the fall. If anyone would like to help December 5th, we will be taking the ramp and possibly another dock section out of the water to work on it during the winter. All docks will/have been shortened for the winter to release the stress the ramps take during the heavy flow and floods.

3. VOLUNTEER APPRECIATION PARTY

- Saturday, December 5th at 6:00 pm at the Lambert Boathouse on Washington's Landing. This is a chance for the club to say thank you to everything you do for TRRA and rowing and paddling in Pittsburgh. Everyone is welcome to come celebrate what an amazing rowing and paddling community we have out of our two boathouses. More details and an official invite will be forthcoming!

4. ANNUAL MEETING

- All members are encouraged to attend that TRRA Annual Meeting on Thursday, January 28th at 7:00 pm at the Lambert Boathouse on Washington's Landing.

5. ANNUAL COLLEGE RECRUITING NIGHT

- TRRA brought a lot of attention to Pittsburgh Rowing again on November 19th with the [Annual College Recruiting Night](#). Check out the impressive list of Universities that attended!
