**Three Rivers  
Rowing  
Association**

### IN THIS ISSUE:

#### 1. NEW POSITION

#### 2. WINE TASTING & AUCTION

#### 3. SNOW (AND FLOODING) UPDATE

#### 4. DOCKS

---

#### 1. NEW POSITION

- We'd like to announce a new part-time position at TRRA that we are now taking applications. It is the Event and Outreach Coordinator. Please see the job description: <http://www.threeriversrowing.org/EventOutreachCoordinatorJob.pdf>. We've tried to add some detail that will help in explaining what the position will be. While many of these duties have been served very well by Donna Bour in the last few years, we saw the opportunity to bring the position in-house and open some new opportunities for TRRA.

#### 2. WINE TASTING & AUCTION

- A new Fundraising Opportunity for the TRRA Junior team that will ultimately benefit all of TRRA!
  - Wine Tasting at The Grand Hall at The Priory Thursday, March 11 Info and tickets: <http://www.trrajuniorsboosters.org/>
    - Entertainment by Etta Cox (voted Best Jazz Vocalist in Pittsburgh)
  - Raffle tickets are available to win a 7-Day Cruise!
  - A silent auction will also take place at the event with many great items (a posting of items will be up on the website before the event).

#### 3. SNOW (AND FLOODING) UPDATE

- The Boathouses are feeling their share of damage from the weight of snow and ice and we appreciate everyone being patient with the access to the boathouses. Please know that the possibility of a large flood is there with the amount of frozen stuff we have in our region. I believe the questions are 1. when and 2. how high the waters will get. I hope the water will stay below our bays at Lambert, only time will tell. Please prepare your boats and equipment (where are your oars?) and be ready for flood updates when that time comes. Thanks very much to Fox Chapel HS, Pitt and CMU and Central Catholic HS for all helping with getting some of the snow moved at both boathouses! It's great to see everyone step up and help their community in a time of need.

#### 4. DOCKS

- We need volunteers to help with getting the ramp at Lambert put back together and into the water. Our dedicated group of volunteers has been working when they can, but we sorely need more willing individuals as our group has weekends when they're away from the project for their own reasons. Even if you think you might only be able to help one weekend in the near future please email! [Bobbie-Rumora@gnc-hq.com](mailto:Bobbie-Rumora@gnc-hq.com) If you get this in time and would like to head down this Saturday, there will be a group there from 8:00-4:00 Saturday, 2/20 working!

**TRAIN HARD! STAY SAFE!**
